

AKASHI

White Oak

Blended Malt

Sea Air • Peat • Yellow Apple

Located next to Kobe Bay, Eigashima is the closest whisky distillery to the Japan Sea whose ocean laden air is reflected in the saline purity of this whisky. Light & playful with a touch of peat that doesn't overpower the notes of orchard fruit.

The Lucky Cat "May"

Blended Whisky

The fourth in its series, "May" starts off with Bergamot orange peel, tobacco leaves and a bit of leather. On the palate, brown sugar-coated prunes are front and center, balanced with hints of green apple, black currant & vanilla custard. 'May' finishes smoky with lingering notes of corn and oats.
